

# Ice Fantasia 2011 - Practice Schedule

To All Parents and Skaters:

**Ice Fantasia practices will be starting the week preceding March Break on Monday March 7<sup>th</sup>.**

Please refer to the casting list posted in the lobby of Crosby arena to determine which “court” your skater(s) will be performing in. Once you have located your skater’s name, **please verify the spelling and advise me of any required corrections** ([osbaldeston-fountain@rogers.com](mailto:osbaldeston-fountain@rogers.com)). This listing will be used in the preparation of the Ice Fantasia 2011 Souvenir Program and we would like to have all names spelled correctly. **Once you have determined your skater(s) court, please refer to the following schedule to see when your court practices will be.**

Every effort was made to keep practice times as close to your regular skating session times as possible. However, given the large enrollment for this year’s show and our limited ice time, many practices have had to be doubled up. We realize that this may affect everyone’s schedules but please make every effort to attend all practices.

It is very important that you arrive on time and check in with me as I will be taking attendance at each practice. **Please Note: It is very difficult for coaches to choreograph numbers when skaters are missing. Please understand that if you miss 3 practices you will be taken out of the number.** We only have a few short weeks to bring this fabulous show together.

Everyone on the Ice Show Committee have been hard at work since September and we are looking forward to another wonderful show. However, we still need your help! If you completed the volunteer portion of the Ice Show Registration form, a representative from our committee will be in touch with you shortly. If you have not yet volunteered, we are still looking for help. Please consider volunteering and email [usbulletins@rogers.com](mailto:usbulletins@rogers.com) today!

**WE ARE LOOKING FOR PROGRAM SPONSORS. IF YOU WOULD LIKE TO PUT AN ADVERTISEMENT IN THE ICE FANTASIA PROGRAM OR SPONSOR ICE TIME FOR THE SHOW, PLEASE EMAIL CAROLYN TEEHAN AT [cteehan@rogers.com](mailto:cteehan@rogers.com).**

Happy Skating! ....Sandy

### Legend:

- **Continuity Practices:** The purpose of the continuity rehearsals is to bring the show together from the beginning to the end, in sequence. Up to this point each court has rehearsed separately. These rehearsals provide the “flow of the show” and clarify entrances, exits and cues for the skaters and volunteers.
- **Technical Rehearsal:** The purpose of the technical rehearsals is to allow the skaters to become familiar with the arena as it is fully set up for Ice Fantasia with spotlights and staging. This rehearsal also allows for the technical aspects of the show to be tested - lights, sound, sets, props.
- **Production Rehearsal:** Some skaters may be asked to wear their costumes and make-up this evening. This allows production staff to look at the costumes with lighting and staging.
- **Dress Rehearsal:** Dress rehearsal is the entire cast with lights, make-up and costumes!

**Please note that further details of the above dates will be provided shortly. However, with the exception of the Pre-School skaters, all skaters will be expected to attend the three continuity practices and the rehearsals. Pre-School skaters will be advised as to which practices/rehearsals they will be required to attend.**
