Costumes

Costume measurement for our CanSkaters is almost complete! Over the past few weeks, all of our CanSkaters who registered for the show were measured. As you can imagine, with over 450 skaters, this was an enormous task and we are so thankful for Cathy Wilson (and her helpers) for chairing this responsibility on all of our behalf.

If you registered your skater for the show and did not get measured, please contact Cathy Wilson at wilsondc@sympatico.ca.

Costume measurement for our Intermediate, Senior and Advanced STARskaters was completed in November, 2010.

Advertising & Sponsorship

The Ice Show will again be providing a souvenir program for the audience at each show. During the 2009 Ice Show, we distributed almost 2,000 copies of the program to our membership and guests - providing our sponsors a formidable opportunity to advertise their businesses and/or services to a "captive audience"!

If you, or someone you know, would be interested in placing an advertisement in the souvenir program, please stop by the USC office or visit our website at <http://www.unionvilleskatingclub.com/ice-fantasia-more-info.php> to download a copy of our "Advertising and Sponsorship Opportunities" document. A copy of the 2009 Ice Fantasia souvenir program is also available in the

club office should you wish to provide this to potential supporters. The "Advertising and Sponsorship Opportunities" document outlines all of the various ways you can help to support our Ice Show, including ice time sponsorship. If you require any additional information, please do not hesitate to contact Linda Grott at imgrott@rogers.com.

The deadline for advertising sponsorships is March 5.

Volunteers

Producing an ice show of this magnitude requires the dedication and hard work of literally hundreds of volunteers. Without it, our Ice Shows would cease to exist. As in previous years, we have established a committee of volunteers to oversee all aspects of the show, but we still require many more volunteers to help make it happen!

Thank you to everyone who indicated that they would be willing to help out with the various Ice Show functions, on their Registration and Volunteer Form. A representative from our Ice Show Committee will be in touch with you shortly.

As our preparations continue to unfold, we are looking for anyone willing to help out in the following areas:

FEBRUARY: SETS & PROPS

Calling all creative minds (and even those, 'not so creative minds')! We are looking for volunteers to assist us in the design and construction of sets and props for the show. No experience is necessary!

APRIL: ARENA SETUP & TAKE DOWN

The arena will be setup by 30-40 volunteers on Sunday, April 10, and then taken apart immediately following the last performance on Sunday, April 17 (around 4PM). This job is great for high school students looking for volunteer hours, and men and women who are handy with power tools. Staff will be available to provide instruction and give directions.

APRIL: BACKSTAGE MANAGERS

We need some volunteers to help manage the activity in the backstage area. If we have several volunteers, then we can schedule them so everyone has an opportunity to enjoy the show from a seat out front.

APRIL: SPOTLIGHT CONTROLS

We are looking for ~4-6 moms or dads to help run the spotlights during the shows. Staff will be available to provide instruction and give directions.

HIGH SCHOOL STUDENTS

The Ice Show has many opportunities for students looking to serve their volunteer hours. Please encourage your son or daughter to volunteer with us, and to bring some friends along with them! We need as many 'hands on deck' as we can have! For Student Volunteer sign-up sheets, please go to <http://www.unionvilleskatingclub.com/ice-fantasia-more-info.php>.

To sign up for any of these positions, please leave your name & number in the office or send an email with your information to:

usbulletins@rogers.com.

Skater Messages - Ice Fantasia Souvenir Program

Once again, USC will be producing a souvenir program for our upcoming Ice Show, PRESS PLAY! This professionally designed and printed program is provided to all of our guests in attendance at each of the 4 shows (~2500 guests expected this year!) and is a wonderful keepsake for our skaters and their families. There is no additional charge for the program - it is included with the ticket price.

Within the program are photographs of all of the skaters in their 'courts' (songs that the skaters perform to) and a special area for "Skater Messages and Well Wishes". Skater Messages provide families a wonderful opportunity to send their skater(s) a special message for their big performances! Parents/siblings/grandparents/friends/aunts/uncles and even the family pet have been known to compose a special message (or two!) for their special skater! It is truly a wonderful keepsake.

If you would like to send your skater a special message, please be sure to pick up a copy of our "Skater Messages 2011" document at the USC club office, or online at <http://www.unionvilleskatingclub.com/ice-fantasia-more-info.php>. This document provides all of the details to prepare your message. **The deadline for Skater Message entries is March 5 (just before March Break).**

(Please note that copies of all of our Ice Fantasia 2011 documentation can be found on our website at <http://www.unionvilleskatingclub.com/ice-fantasia-more-info.php>)

If you need message ideas, or would just like to see the messages included in the 2009 Ice Fantasia program, please be sure to stop by the USC Office to obtain a copy of the program.

Thank you in advance for your support!!!

Fundraising Results so far!

On behalf of all of our skaters, we would like to thank the many generous families and local businesses that have contributed to making our recent Ice Show Fundraisers a tremendous success! Over \$3000 has been raised for Ice Fantasia 2011!

Please take the time to review the sponsorship listing on the poster board adjacent to the concession stand in Crosby arena. [Please support the businesses that support Unionville Skating Club.](#) Without them, we would be unable to host our fantastic show.
