Program Delivery Standards & Ice Policies

SKATE CANADA — CANSKATE DELIVERY STANDARDS

- All CanSkate sessions include a warm-up, 3 group rotations (Balance, Agility & Control), a group activity, and a cool-down.
- All skaters must wear a CSA hockey-approved helmet until they have passed Stage 5 of the CanSkate program.

SKATE CANADA — STAR 1–5 MINIMUM DELIVERY STANDARDS

- All Star 1 sessions include Skills, Dance, and Freeskate in group format.
- All Star 2–5 sessions alternate between Skating Skills and Spins in a mandatory group format.

PRIVATE LESSONS & OPEN ICE SESSIONS

- Private lessons can be arranged during any Prime or Non-Prime Open Ice session — all skaters are welcome to use open ice as extra ice time or lesson time.
- **Safety:** skaters who have not passed Stage 5 MUST be coached for their entire time on the ice — if there is no coach, the skater is NOT allowed on the ice.
- Open sessions do not have the mandatory group time, however open sessions will have mixed levels of skaters on the ice together.
- **PowerSkaters:** must be in a lesson for their entire time on the ice — without a lesson, the skater is NOT allowed on the ice.
- Power skaters are welcome at all Non-Prime Open Ice sessions, except the 7:00–8:00am time slot at Angus Glen.

LEARN TO SKATE OPEN ICE (SATURDAYS)

- A Learn to Skate Open Ice session runs during Pre CanSkate on Saturdays, specifically for CanSkate, Star Development, and Star 1 skaters.
- Skaters may arrange private lessons or work independently, regardless of level.
- **Please note:** Learn to Skate Open Ice skaters will only have access to a partial ice surface during this time.
