

UNIONVILLE SKATING CLUB OF CELEBRATING 60 YEARS FUN!

SATURDAY, MARCH 29, 2014!

On Saturday March 29th, Unionville Skating Club will host our bi-annual Fun Day event at Crosby Arena. **THERE WILL BE NO REGULAR LESSONS ON THIS DAY.** This is a truly a "fun" day where the children will be able to demonstrate just how much they have learned over the year! It will enable you, the parents, to see how much your child has progressed. Skaters will be divided into teams with skaters from Preschool to Canskate C on each team. There is a \$5 registration fee per skater. Please fill out one form for each skater you have participating. For this event to run smoothly, please return the bottom portion of this form and your registration fee to the Skating Club office **no later than March 8th, 2014.**

A detailed schedule and team listings will be posted approximately one week prior to the event. During Fun Day, we would like the skaters to wear an article of clothing (hat, sweater, sweatshirt, etc.) that corresponds to their team colour. Each skater's time commitment will be approximately 1.5hrs. All skaters will receive a medal. Many volunteers, on and off the ice, are needed for this event to run smoothly.

Thank you for your support and your child's participation in our Club's Fun Day!

Skater's name: _____

Session: Preschool Canskate A Canskate B Canskate C

Time Preference: 12:30-2:00pm 2:15-3:45pm

Parent's name(s): _____
