If you indicated an interest in helping in **Dressing Rooms** or on **Photo Day**, sign up sheets are coming soon to the lobby! Now is the time to commit to a Court and a day. With over 550 skaters in the show, this requires a lot of organization and commitment. All volunteers will have their days and times confirmed via email.

Volunteers for other areas such as Security, Ushers, Concession: you will be contacted via email by a Committee Lead with details of how and when you can help out!

Thank you everyone for your gift of TIME.

- **Hard Guards---yes please!**

Your skater will need hard plastic guards in order to participate safely in Ice Fantasia. These guards are needed when skaters have to walk on the cement areas surrounding the rink for

their performances. Please make a note to purchase **hard guards** and cut them to your skater's size. Please label all guards too! Guards are available at Sporting goods stores, Canadian Tire, Figure Skating boutique and Jake's. Have guards, will travel!

All skaters will have the opportunity to have their photos taken both in their court, and individually. Photos will be prepaid and order forms will be handed out next week. Photo Package Options will be on display in the Showcase. Check it out!
