

WHICH SPARKLING ICE TEAM SHOULD I AUDITION FOR?

Synchronized skating is a progressive process. Each level is more challenging and relies on experience from the level before. We realize that in some cases, skaters may be starting the synchro process later than others. Please refer to the chart below to find a team that fits your age. Check that your individual skating ability meets the minimum desired skill level set by our coaches. Skaters may still be selected for a team, at the coaches discretion, if they do not meet the minimum test standards set out below.

If you have any questions please ask one of our synchro coaches or email synchro@unionvilleskatingclub.com
